

Job Description

Be a part of the excitement that our races bring to the community and the charitable organizations we serve!

Hermes Sports & Events is currently seeking part time weekend help managing the course set up for races. Candidates should be available 2-3 weekends a month for morning work. Training will be provided, and candidates must be comfortable working independently or as a member of a team. This position is a year-round opportunity with most races taking place in the April to October timeframe.

Responsibilities

- Assist with setting up and tearing down the race course with directional arrows and cones
- Assist with setting up and tearing down the water stop
- Ensure volunteers are in proper locations on the race course
- Liaison with race organizer and police on race morning
- Lead the race in vehicle with a Hermes employee on race morning

\$75 per race.
